

NWT PARKS EXTENDED STAY CAMPSITE DRAW 2022 - Frequently Asked Questions (FAQ)

The following are some FAQ to the extended-stay campsite draw process. If you have questions that are not addressed in this document, please email us at: parks@gov.nt.ca.

1. I can't find my trailer registration, can I still register?

Answer: If you require a copy of your registration or registration number, email DMV@gov.nt.ca or call (867) 767-9087 to make an appointment. You can also visit <https://www.idmv.dot.gov.nt.ca> for the Department of Motor Vehicles On-line services.

2. My trailer registration has expired? Can I still get a ballot?

Answer: Yes, but you will need to provide a valid trailer registration when you arrive at the campground to start the use of your extended stay campsite permit. The name of the permit must match the name of the person who won the extended stay site.

3. Our trailer registration is in both my name and my spouse's name? Do we get two ballots?

Answer: No. You will get one ballot in both your names. If you are successful in getting an extended stay permit, it will then be in both your names.

4. I own more than one trailer, can I get more ballots?

Answer: No. You are only allowed to have one ballot per person, regardless of the number of trailers you own. The "one ballot per person" process is intended to make getting an extended stay permit equal for everyone.

5. I plan on using a tent on the site that I win for an extended stay permit. Can we tent?

Answer: Tents are fine. The ballot will ask you if you are doing this. If you change your mind half way through your stay and buy a trailer, then the registration must match the name of the permit holder.

6. Can I use an RV or a truck camper?

Answer: Yes. Just bring your registration showing that you have this type of vehicle. Once again, the name on the registration must match the name on the ballot that was successful in getting an extended stay permit.

7. Can I use my car registration instead?

Answer: No. You can only use a camper trailer (or RV or truck camper) registration. If you are tenting as per question #5 the ballot will allow for tents but no trailer is allowed to then occupy the site (unless the registration is in the permit holder's name i.e. someone decided they didn't want to tent and decided to buy a camper trailer).

8. If I'm unavailable to take the call on Sunday, March 6th, can I designate someone to take the call in my place?

Answer: Yes, #6 on the Application form allows for someone else to take the call on your behalf. Be sure this person is able to choose a site for you based on what you've indicated on your ballot.

9. What if I miss the call?

Answer: if you miss the call, we will proceed to the next person on the list. We will call you back after finishing with the next caller. You cannot leave multiple phone numbers, so try to have someone who is available to take the call that day.

10. How do I choose my site? Can I pick any site at either park?

Answer: When you fill out your ballot, you will be asked to identify which of the available sites you are **NOT** interested in purchasing. When you receive the phone call, you will be given a limited amount of time to choose your site – depending on availability. One side of your ballot lists the available sites and must be completed.

11. My name has been drawn, but I don't want any of the available campsites. What do I do?

Answer: If none of the campsites identified on your ballot are available when you're called, then you can decline to take one (your payment will be refunded). If however, one of your sites is still available and you decline, you will forfeit your fee.

12. Will a waiting list be created? In the event that someone changes their mind or cannot use their permit?

Answer: Yes, we will pull every ballot in order – the order will serve as our waiting list.

13. How will I know which sites are available when I get the call?

Answer: We can text or email the available sites to you. If you do not have access to a device that can receive this information, please email parks@gov.nt.ca or call (867) 767-9212 Ext 63245 before March 1st to arrange other options.

14. What if I do not have a credit card for payment?

Answer: Certified cheques can be accepted at the ITI, North Slave Regional Office. Please email parks@gov.nt.ca or call (867) 767-9212 Ext 63245 before March 1st to arrange other options.
